D.O. Letter No.R-99014/29/2021-DADF-Dept

Dated, 19th February, 2022

Dear Colleagues,

The Central Government is implementing the National Livestock Mission Scheme under which entrepreneurship components for establishment of Rural Poultry, sheep, goat, pig farms and feed and fodder are implemented. Under the entrepreneurship components, the eligible entities are individuals, FPOs, SHGs, JLGs, FCOs and Section 8 companies to avail benefit for establishment of poultry, sheep, goat, pig and feed and fodder entrepreneurship. The Central Government is providing 50% subsidy subject to subsidy ceiling of Rs. 25 lakh for poultry farms, Rs. 50 lakh for sheep and goat farm, Rs. 30 lakh for piggery farm and Rs. 50 lakh for feed and fodder. However, remaining 50% Project cost to be arranged by the Entrepreneur either through bank loan or the beneficiaries can arrange by himself. The Central Government on approval of the project will disburse subsidy into instalments (one installing at the time of sanctioning of the project and another instalment after completion of the project).

2. The Department has been receiving requests seeking clarification from the banks, State Government and beneficiaries regarding the method of subsidy and also quantum of loan to be taken for a particular project.

3. In this regard, I would like to mention that the bank and the financial institutions should consider entire amount of the project cost for approval of the loan. The categories are as under:

(i). The Bank may sanction the loan for full project cost as per the demand of beneficiary and the loan can be adjusted after receiving of subsidy.

(ii). Loan can be sanctioned partially as per demand of beneficiary provided the beneficiary has showed sufficient justification for having fund for completion of the project. In this case Bank should not insist the bank guarantee from beneficiary as the bank has taken the project as collateral.

(iii). Where the beneficiary is arranging the fund from his/her own for entire 50% of the project cost in such case the bank guarantee to be obtained at the time of approval of the project by the State Implementing Agency.

(iv). The loan should be disbursed only after approval of the subsidy amount by the Department of Animal Husbandry and Dairying, Ministry of Fisheries, Animal Husbandry and Dairying.

Contd...

4. Therefore, all the State Governments and the banks are requested to process the application as per clarification given in para (3) above.

Warm regards,

Yours sincerely,

(Dr.O.P.Chaudhary) 12.2.22

1. All the Additional Secretaries/ Principal Secretaries/ Secretaries of Animal Husbandry of all States and Union Territories.
